Reference: Title V Permit Number V97004  
Applications Numbers 371347 and 371646  
Minor Revision Number 0.1.2.0

Dear Ms. Ika:

This letter is to inform you that the Maricopa County Air Quality Department (MCAQD) has approved the above referenced minor revisions.

Following is a summary of the approved revisions to Title V Permit Number V97004:

- Under Application Number 371347 two direct fired natural gas air makeup and evaporative cooling units were permitted and added to Appendix A Equipment List.
- Under Application Number 371646 Appendices A, B, and C Equipment Lists were modified to include the following equipment permitted in prior revisions but inadvertently not included in the equipment list: Appendix A; panel saw, edgebander, CNC, notcher, shelf hole drill, dado, dovetail, sealer booth, lacquer booth, glaze booth, stain booth, and time saver sander. Appendix B; laminator and dovetail box press. Appendix C; band saws, chop saws, dovetail machine, table saws, and spray booths.

The above determinations have been made pursuant to the *Interim Guidance Document for Title V Permit Revisions* dated December 29, 2006 in addition to MCAQD Rule 210, Section 405, which mirrors federal rules under 40 CFR Part 70. Please recognize that this determination remains subject to a 45 day EPA review that will begin on the date that the EPA receives the proposed final permit and accompanying documents from the Maricopa County Air Quality Department.
